Thanks and no problem about the meeting. Let me know what comes of it. Thanks for the back 40 letter too.

Hi Kathy, Kerryann mentioned that we would call you during the assumption part but we won't be able to do that. We don't have a phone and aren't sure when it will actually be. So we will let you know if anything comes out of it. I did talk with some of the Indiana staff and they told me that assumption is their focus but they didn't really know anything about it so the assumption 101 will be helpful for them because I think you and Melanie gave it to their management. Also, FYI, we sent an objection letter on the Back 40. Apparently the RA was briefed and ok with sending the letter.
